

## Deutsche Akkreditierungsstelle GmbH

**Entrusted according to Section 8 subsection 1 AkkStelleG in connection with Section 1 subsection 1 AkkStelleGBV**

Signatory to the Multilateral Agreements of EA, ILAC and IAF for Mutual Recognition

# Accreditation

The Deutsche Akkreditierungsstelle GmbH attests that the testing laboratory

**gammatest Gesellschaft für zerstörungsfreie Werkstoffprüfung mbH**  
**Klöcknerstraße 93, 44579 Castrop-Rauxel**

is competent under the terms of DIN EN ISO/IEC 17025:2018 to carry out tests in the following fields:

**manual non-destructive testing (radiographic, ultrasonic, penetrant, visual and magnetic particle testing) at metallic components of plant engineering**

The accreditation certificate shall only apply in connection with the notice of accreditation of 17.06.2020 with the accreditation number D-PL-17579-01. It comprises the cover sheet, the reverse side of the cover sheet and the following annex with a total of 5 pages.

Registration number of the certificate: **D-PL-17579-01-00**

Frankfurt am Main,  
17.06.2020

Dipl.-Ing. (FH) Ralf Egner  
Head of Division

Translation issued:  
04.08.2020

Head of Division

*The certificate together with its annex reflects the status at the time of the date of issue. The current status of the scope of accreditation can be found in the database of accredited bodies of Deutsche Akkreditierungsstelle GmbH.*  
<https://www.dakks.de/en/content/accredited-bodies-dakks>

This document is a translation. The definitive version is the original German accreditation certificate.

See notes overleaf.

# Deutsche Akkreditierungsstelle GmbH

## Annex to the Accreditation Certificate D-PL-17579-01-00 according to DIN EN ISO/IEC 17025:2018

**Valid from: 17.06.2020**

Date of issue: 04.08.2020

Holder of certificate:

**gammatest Gesellschaft für zerstörungsfreie Werkstoffprüfung mbH**  
**Klößnerstraße 93, 44579 Castrop-Rauxel**

Tests in the fields:

**manual non-destructive testing (radiographic, ultrasonic, penetrant, visual and magnetic particle testing) at metallic components of plant engineering**

**Within the scope of accreditation marked with \*\*\*, the testing laboratory is permitted, without being required to inform and obtain prior approval from DAkks, to use standards or equivalent testing methods listed here with different issue dates.**

**The testing laboratory maintains a current list of all testing procedures within the flexible scope of accreditation.**

### **Radiographic testing \*\*\***

|                               |  |
|-------------------------------|--|
